

**SUSANA ROAD, ET AL.
ROADWAY IMPROVEMENT PROJECT**

Dear Neighbor:

The County of Los Angeles Department of Public Works is pleased to inform you of an upcoming roadway improvement project in your neighborhood.

Within the next few weeks, work will begin on Susana Road and Via Mondo, in the unincorporated County community of Rancho Dominguez and the Cities of Long Beach and Compton (see attached map). The project, which will be built at no cost to the adjacent property owners, will consist of reconstruction of the existing roadway pavement; reconstruction of curb ramps, curb and gutter, sidewalks, and driveways; modification of traffic signals; and removal and replacement of trees that are damaging curb, gutter, and sidewalks. Bicycle lanes will be installed along Susana Road between Artesia Boulevard and the Interstate 710 Interchange. In order to accommodate the new bicycle lane, Artesia Boulevard will be reduced to one travel lane in each direction with a two-way left-turn lane. The work will be performed by Shawnan Corporation, and is expected to take about 6 months to complete.

During construction, parking may be restricted and traffic will be delayed by large equipment and the delivery of materials to the jobsite. Temporary "NO PARKING" signs will be posted along the construction route at least 1 day prior to the arrival of the work crew to your area. During the construction working hours between 7 a.m. and 7 p.m. daily, Susana Road may be reduced to one traffic lane in each direction or at times closed to through traffic with detours posted. Work on Via Mondo will be performed on the weekend; Via Mondo may be reduced to one traffic lane for both directions, controlled by flaggers. Information on traffic detour and construction progress of the project can be obtained at <https://dpw.lacounty.gov/pdd/proj/susanard/index.cfm>. Access to homes and businesses will be maintained by the contractor except for short periods of time when it is impractical to do so. Please observe all traffic controls, detour routes, parking restrictions, and flagmen; exercise caution while in the vicinity of all construction activities.

Throughout construction, Public Works will have **Mr. Khaled Alqam**, Construction Supervisor, in charge of the project. He may be contacted at **(626) 632-1572**, Monday through Friday, 7 a.m. to 3:30 p.m., for any questions or concerns that you may have about this project. At all other times, please contact DPW Dispatch at 1 (800) 675-4357 (HELP). Refer to **Project ID RDC0015890, Susana Road, et al.**

We apologize in advance for any inconvenience the construction may cause. Thank you for your patience, cooperation, and understanding during the construction of this project. We hope that upon completion of this project, you will find it to be a great improvement to your community.

Para información en Español acerca de este proyecto, por favor llame al (626) 458-3104 (refiérase a Project ID RDC0015890, Susana Road, et al.). Nuestras horas de oficina son de 7 a.m. a 5:30 p.m. de lunes a jueves.

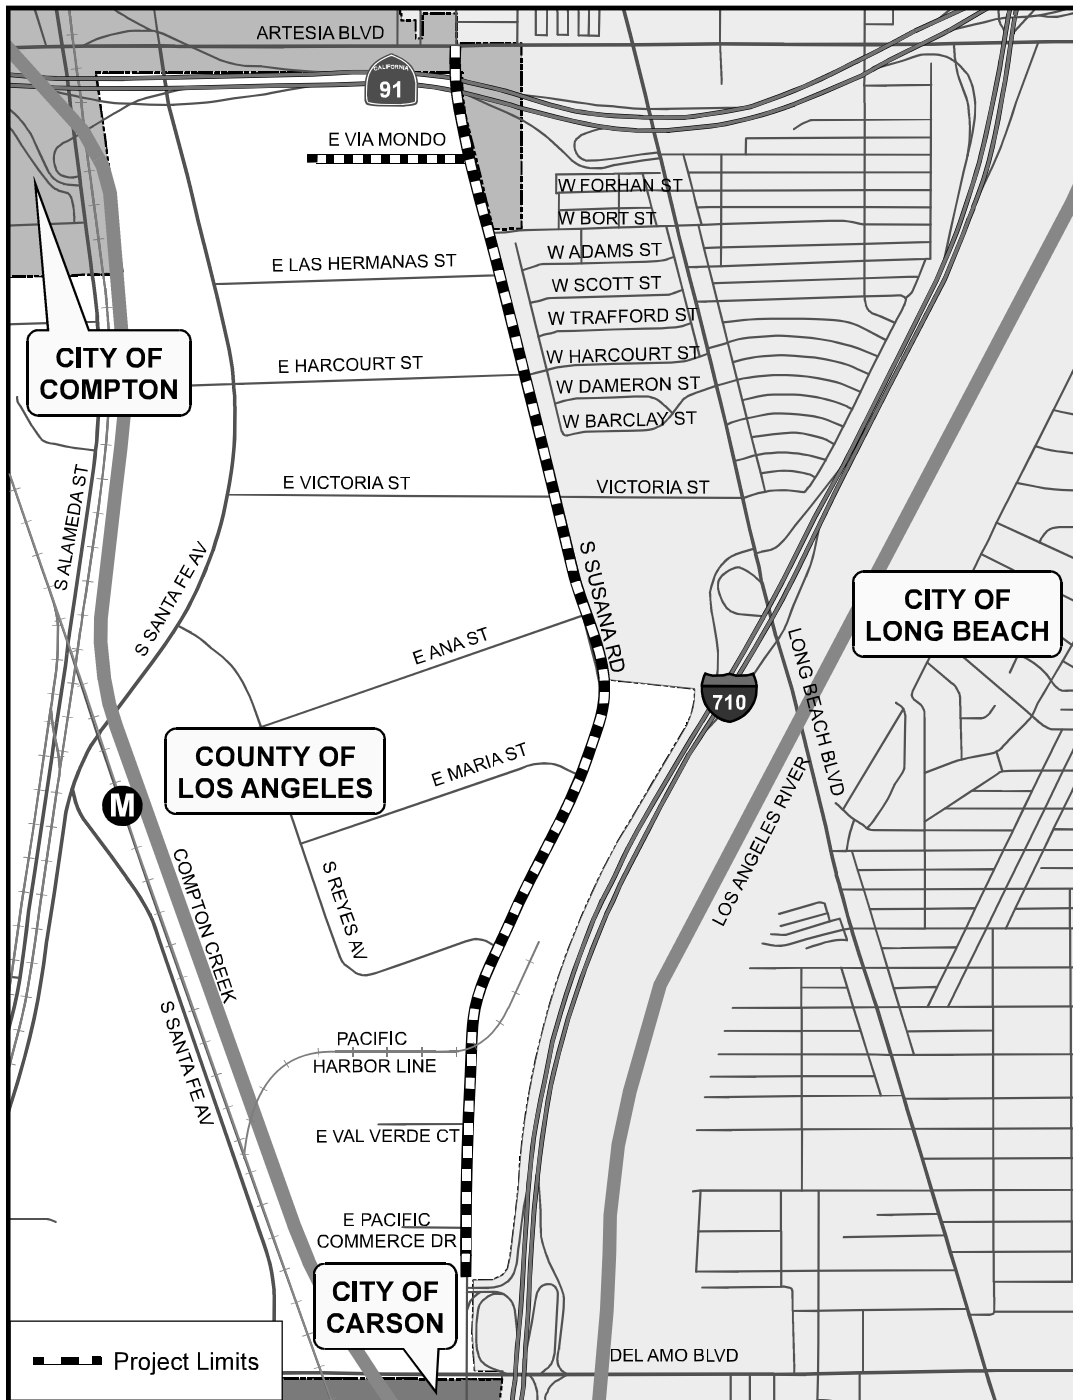

Individuals requiring reasonable accessibility accommodations may request written materials in alternate formats, physical accessibility accommodations, sign language interpreters or other reasonable accommodations by contacting our departmental Americans with Disabilities Act Coordinator at (626) 458-4081, from 7:30 a.m. to 5 p.m., Monday through Thursday (excluding holidays). Persons who are deaf or hard of hearing may make contact by first dialing the California Relay Service at 7-1-1. Requests should be made at least 1 week in advance to ensure availability. When making a reasonable accommodation request, please reference PD-8.
